Message from the President

Members,

Yes it's that time of the year already! We are very excited to start this summer with the construction completed, as you will see when you enter the club. Many members were among the first to see the Ballroom during our Member Open House in January. We all agree it has been a long time coming and hope that the many improvements enhance your experience while you spend time this summer at the club.

During the recent Membership Meeting the Board members listened to many suggestions concerning the use of the Ballroom. After much discussion we have come up with several activities for the membership to enjoy the room and balcony. Beginning on May 16th we will open the balcony for adult members only to sit and enjoy the sunset. Please see the list below for other night and activities throughout the summer. As always the Board is interested in the members input and invite members to place suggestions in the box located on the office wall.

The sole purpose of Lakeside Country Club is for the enjoyment of its members. Should you have any questions or concerns, don't hesitate to contact us. I look forward to seeing everyone this summer!

Carey Johnson
President of Board of Directors

DIVE TEAM NEWS

Dear Lakeside Diving Team Parents,

I am looking forward to the start of our diving season. Registration was held on April 23rd at 7:00 PM. I will also accept registrations later at May practices. We need divers for every age group. Boys and girls under the age of 18 are eligible to dive in our JCCA program. If your child can swim from the diving board to the ladder in the deep end, they can join the diving team (there is no minimum age). The basic rules for JCCA Diving and the meet and practice schedules are available on the Lakeside CC website (www.lakesidecountryclub.org) Our first meet will be held in the beginning of June. Practices will start on Saturday, May 4th at 10:00. A full meet schedule and practice schedule for June and July will be provided later and will be posted in the Lakeside office. The Dive Meet of Champions will be held on Friday, July 19th. All dual meets will be held on Monday nights at 6:30 pm. Please arrive no later than 6:00 for home meets and 5:00 for away meets. For all away meets, we will practice at the opposing club for 1 hour prior to the meet. The best way to learn about diving is to come watch our team practice. I am always available after practices if you have any questions. If you need to reach me, my phone number is 504-258-2961 (Cell). I can also be reached at jrbrew34@rtconline.com. Make sure to check out our Facebook Page. Just search for "Lakeside Country Club Diving Team". I will provide updates on practices and any other important information via the FB page and e-mail. I hope to see you at the practices and the meets. Please fill out the attached form below and return it to me with your registration fee.

Sincerely,
Coach Rob Dauenhauer

Lakeside Country Club Summer Camp

Summer is right around the corner, which means it is time to start thinking about what to do with the kids. Lakeside Country Club will have camp again this summer for the twelfth year. Camp will be available beginning Tuesday, May 27th until Friday, August 15th. Swimming, tennis, arts and crafts, exercise, group games, talent shows, movie day, and one special fun day each week, are some of the many activities that campers will be enjoying. We are very excited that Ms. Kristi is returning as director of our summer camp program, she will oversee all counselors and activities during the summer. Campers are assigned a group based on their age and also their swim ability. However, all campers participate in all activities at the same time so that if they have a friend that might be a little older they will not be separated.

We are also very happy to welcome back the CATZ (Completely Active Training Zone) fitness program. CATZ is a unique youth fitness program that engages children to improve their physical fitness, improve their self discipline, gain confidence, enhance peer acceptance, promote their physical/mental well being and enjoy exercise. Lakeside Country Club has partnered with Southshore Physical Therapy, LLC to provide a weekly CATZ Youth Fitness Program during the 2013 Summer Camp.

Our mission statement at Lakeside Summer Camp is ; summer is a time for fun, kids need to be kids and although we do have structure throughout the day our goal is to MAKE it FUN and keep them MOVING!!!
4 year olds* through 6th graders are welcome and guests of members are also invited to attend.

Registration is \$50.00. Registration fee includes 1 tee shirt Additional shirts may be purchased for \$10.00 each. Campers will be required to purchase a LCC Camp bag at a cost of \$10.00. Camp fees must be paid on Mondays of every week. (*Must be 4 by May 1, 2014)

Camp hours are 8:45am - 3:00pm

Before and after care is available from 7:45am - 5:30pm for \$35 per week a \$5.00 discount will be given for each additional sibling.
