Message from the President

Dear Members of Lakeside Country Club,

We are OPEN for the summer!!!! Can you believe the time is finally here? There are many changes that have occurred since last summer and others that are still in the works. During this offseason our NEW diving board - which the kids are loving - was installed. There is a new, updated automated program for purchases at the Splash Bar and Cove Grill which we switched to in the last couple of weeks. We appreciate your patience and cooperation as we all adjust to the new program. The new key fob system is still in the planning phase as we want to tie it into the same system being used for purchases and membership. The key fobs may not be in place in the very near future, but are still in the overall plan. Such a system needs to be implemented to allow Lakeside to deactivate a delinquent member's access to our club- at any time during the year. As a Board, we try to provide a place that will allow our members in good standing to have experiences that will be enjoyable and memorable. The Pontchartrain Room will be available to our members during the busy summer months as special events are planned. Look forward to Sippin' in the Sunset - adults only- movie nights for the kids, and other special events. During the height of the summer, rentals are not booked to allow our members access to that amenity at LCC. Continue to spread the word for the "offseason" months about our beautiful reception venue and encourage people to contact the office for details.

We were very glad to see all of the members who joined us for opening weekend. As all of you know, there are always memories created any time you spend at the best little family club in Metairie. Since last year, some of our LCC friends have gone their separate way, but we also have new families who have decided to become members of Lakeside during the offseason. We hope that our new members, as well as the ones that have been with us for many summers, will enjoy making memories with us.

Now we get to what we need from our members to make this an enjoyable summer for all. The recurring issue is one that depends on all members of LCC - traffic and parking. We remind all of our members the importance of obeying all traffic laws, especially while in our neighborhood, and to be mindful of where and how you park your vehicle when you visit Lakeside Country Club. As a club, we try to make all experiences while at LCC the best. Please be reminded that although we have employees that are responsible for different areas in the club, we are not a full service facility. We appreciate members who clean up after themselves and treat our facility with the same respect you would treat your home and ask that members follow all rules put in place. Discuss these rules with children and remind them of the expectations of proper behavior in all areas of the club - pool, pool deck, diving board, tennis courts, and the bathrooms. The only other issue that is truly dependent on the members is timely submission of quarterly dues. Although the majority of our membership utilizes the club in the summer time, Lakeside Country Club has other amenities and is a business that operates and has expenses year round. Lakeside Country Club's yearly dues are \$840, broken down - \$210 per quarter - \$70 per month. The quarterly payment plan is in place to allow members to spread out their payments over the course of the year.

Invoices for the third quarter will be emailed to members at the end of June. Please make sure that we have the email address on file that you check often so that you do not miss the invoice. Many of you have your payments sent to LCC automatically through your individual banks, so please be sure to update any information being sent to LCC on your behalf. You can mail your check, set auto bill pay directly from your bank (remember to include your member number), or come by the office and pay with your credit card. The sole purpose of Lakeside Country Club is for the enjoyment of its members. As always, we encourage members to come often so that you can experience all that our club has to offer for yourself. Should you have any questions or concerns, please do not hesitate to contact us. We look forward to seeing everyone more this summer!

Campers are assigned a group based on their age and also their swim ability. Important Summer Camp Information

- Daily activities include swimming and group games. Weekly activities will include group games, P.E., art, tennis and music.
- All new campers will be required to purchase a camp bag on the first day; the cost of each bag is \$12.00, if you already have a LCC Camp bag from a previous year you will not be required to purchase a new bag. Campers must bring all of their

belongings in this bag every day. Please enclose a large plastic bag for their wet clothes.

- Due to time constraints, we are unable to apply sunscreen to every camper more than once a day. Sunscreen must be applied before your child reports to camp, as we will have outdoor activities early in the day. We will re-apply sunscreen throughout the day if it is needed. If your child requires special sunscreen please send in marked plastic bag.
- Girl campers are encouraged to wear one-piece bathing suits. This will eliminate the problems we have had in the past with bikinis. We also encourage all campers to wear swim shirts.
- Campers **MUST** have tennis shoes every day!!! Campers will not be able to participate in some of the planned activities without tennis shoes.
- Campers that will not be swimming are asked to bring a book, but will also be allowed to play games (board games, card games – not video games) and color outside during this time.
- Parents wishing to set up private swim or tennis lessons during camp time should notify the office.
- All camp fees are due Monday morning!!!! You will not be invoiced.
- Campers are allowed to bring their lunch or they may purchase lunch from the concession stand. The average cost of lunch is \$4.00 although older children may spend a bit more; please discuss the cost with your child before they come to camp. We will have a lunch menu available so that you can discuss choices for lunch with your child. We will also allow the children to buy 1 snack after lunch. **Campers are not allowed to buy soft drinks during camp hours.**
- LCC has a new computerized system in the concession stand. In order for your child to purchase lunch or a snack from the concession stand, you must deposit a minimum of \$50.00 into an account. All accounts **MUST** be prepaid and maintain a credit in order for your child to order lunch or a snack. The system **WILL NOT** allow an order if the account has insufficient funds.
- Please mark all of your children's belongings. Doing so curtails any mix-ups or unclaimed items.
- No camper is allowed to bring small toys to camp. These toys will be taken away and returned to the parents at the end of the day.

- **Campers are not allowed to bring their DS, iPads, Cell Phones, or other such games to camp.**
- We will apply sunscreen during the day as needed. If your child requires a special brand, please send it in a Ziploc clearly marked with their name, and we will apply it as needed during the day. Please remember to apply it prior to your child's arrival at camp
- If your child requires floaties or any other swimming aids, please send them to camp marked with your child's name. There will be counselors in the pool at all times, but extra aid is always recommended. **Snorkels and masks that cover the nose are not allowed during camp!!**
- We hope that your children will have a happy and fun-filled summer. If you have any concerns during the summer, please feel free to call the office at 834-9200.
